

Central Region Networking Center of the NJASECD - October 2012

The NJASECD Central Regional Networking Center has been focusing on the use of social media to assist the region with any concerns related to social, emotional and character development this fall.

Great news ! They have set up a TWITTER account for the purpose of sharing successful ideas and programming ! Their TWITTER account is <https://twitter.com/RNCCJ> . Take time to click on this link to follow them on Twitter. If you do not have an account, they are free and easy to set up.

They are also in the middle of creating a WIKISPACe that will highlight major school events in all their schools. Please share your ideas with them! Look for the link to their WIKISPACe in next month's newsletter.
